## Training

### Workshops

Throughout the year, ASDAN offers a wide range of staff development and training workshops. Held in venues across the UK and Ireland, these workshops offer a friendly, accessible and hands-on introduction to ASDAN's programmes and qualifications. The majority of workshops are full-day courses with lunch, refreshments and training materials provided.

Training is mandatory for the CoPE, AoPE, Personal Progress, Employability, EPQ and PSD qualifications and is highly recommended for anyone running or planning to run any ASDAN programmes. All workshops cover the processes involved, offer guidance on delivery and moderation and explain how to maximise the benefits of each programme.

UK workshop costs:

- Full-day workshop: £220.00 for first delegate; £160.00 for each additional delegate
- Half-day workshop: £130.00 for first delegate; £95.75 for each additional delegate

## Customised Accreditation

Customised Accreditation is the process by which ASDAN accredits a programme that is already being offered or has been written by another organisation. We offer a bespoke arrangement to provide certificates to reward learners' achievement.

### Centre registration

ASDAN will consult with the centre to find the best solution to their accreditation requirement and will draw up a customised agreement as part of the registration process, which will also include the reviewing of learning materials and delivery mechanisms of the programme/s to be accredited.

- The centre registration fee is £1295 +VAT

### Customised Agreement Mapping/Admin Fee

- Customised set-up fee (first year only) £742.00 +VAT

The Customised mapping/admin fee is applied in the first year of a Customised Agreement during the setup period. It covers all ASDAN staff time to receive and examine any course content or material that the agreement will cover. The fee will also take into account all customer communication over the Customised Agreement set up period.

### Certification

A bespoke candidate certificate will be issued upon request and will cost £8.35 (plus postage and packaging, see page 5).
