ASDAN educational principles: Inspiring creativity

# Unpacking problem solving and thinking creatively

Name:	Date:	📎 CoPE L1&2 unit PS PDP (Bronze, Silver, Gold) Coping with problems

What is the problem that you are trying to solve?

Come up with three options for solving the problem – try to think creatively...

Option 1	**Option 2**	**Option 3**

Now choose one and put it into action!

Steps I need to take to solve the problem
