Qualification codes and performance figures: Wales and Northern Ireland 2018/19

ASDAN's qualifications are fully approved by the regulators in Wales and Northern Ireland for use in schools and colleges. Point scores above can be used in reporting, and provide a useful comparison with other qualifications. Across all parts of the UK, ASDAN qualifications have a recognised value in enhancing learning and achievement and contribute to meeting inspection requirements.

The qualification codes and performance figures for ASDAN qualifications listed above can also be found on NIEFQAN <https://www.education-ni.gov.uk/articles/qualifications> and QiW www.qiw.wales (following a search via ASDAN, and then clicking on each qualification, and then each reference to performance figures).

To assist with an interpretation of the performance points above, the following table illustrates comparability of performance figures to GCSEs.

GCSE Grade	Performance points	Performance Points for same-size qualifications at each level if not graded
Level 2		
A*	58	46 Points at Level 2
A	52	
B	46	
C	40	
Level 1		
D	34	25 Points at Level 1
E	28	
F	22	
G	16	

Qualifications at each level that are not graded, are given points scores in the middle of the range for that level (e.g. Certificate of Personal Effectiveness at Level 2 = 46, and at Level 1 = 25).

Entry Level qualifications are worked out on a different scale.

UCAS Tariff Points

UCAS Tariff points are allocated using different criteria to SCAAT points, reflecting the value of the qualification to higher learning, and therefore university entrance, and therefore there may be anomalies apparent.

Qualification	UCAS points
Certificate of Personal Effectiveness Level 3	16
Award of Personal Effectiveness Level 3	8
Wider Key Skills Level 3	6 (per skill)
