You are starting a module called

Using transport

As you work through the activities in this module you will be asked to:

You may choose to sign your answers.

As you complete each activity, you or your mentor can tick the box alongside the activity and the corresponding box on the **Record of progress** (page 5).

When you have finished this module, remember to complete the **Review** and **Next steps** sections at the end of the book.

Record boxes

At the end of each section you will find a page of record boxes:

Your mentor can use this box to write an extra activity for you to do. This might ask you to practise some of the skills you have already shown, or it might ask you to do an extension activity.

This box can be used in any way to show your achievements throughout the section. It might also show what you need to work on next.
