Re: ASDAN Level 3 Certificate of Personal Effectiveness (100/3560/6)

Southampton Solent University is writing to inform you that the institution will acknowledge the points of the Certificate of Personal Effectiveness in conjunction with other qualifications to meet the entry requirements for the chosen course.

It is important to note that initially the University would ensure the applicant meets the majority of the required tariff points from studying two years at Level 3.

We are also happy for this letter of support to be published on your website.

Yours faithfully
