Bronze, Silver, Gold: 6A1 Christmas dinner shopping list

**ASDAN links:**

ASDAN Personal Development Programmes (Bronze, Silver, Gold)
Module 6: Number Handling, Section A, Challenge 1

Instructions:

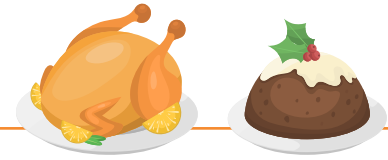

This Christmas dinner shopping list can be used by students to complete challenge 6A1. Learners could use the Internet to compare prices or visit two different supermarkets. Tutors could specify pack sizes or weights for each item to make the comparisons fairer.

As an extension task, learners could factor in deals and multi-buy offers, or compare the costs of branded goods with own-brand alternatives.

Skills development:

- Research
- ICT
- Numeracy

Christmas dinner shopping list

Compare the costs of this Christmas dinner shopping list at two supermarkets.
Calculate the total costs and the difference between the two.

Supermarket 1:	Supermarket 2:
----------------	----------------

Item	Quantity/weight	Cost at supermarket 1	Cost at supermarket 2
Smoked salmon			
Salad leaves			
Turkey			
Stuffing mix			
Gravy granules			
Bacon			
Sausages			
Potatoes			
Parsnips
